

## eventsunplugged

corporate and sporting event management services

**eventsunplugged!** is a specialised event planning company located in the North West. Our aim is to go that extra mile in the services we offer, ensuring your event is not just professional but pleasurable, unique and memorable too.

We offer a range of 'event' services and can be involved as much or as little as you need in organising your important occasions. From full-scale packages, where we design, create and implement the perfect event to delegate management; we will cater to your needs.

We take the stress and hassle out of your hands and make sure your event runs smoothly, allowing you to enjoy the affair as much as your guests.

Having over 20 years experience in the service, sport and entertainment industry, at eventsunplugged! we have a wealth of experience and knowledge to draw upon when tailoring the perfect event for you.

From golfing days and weekends, gala and celebratory dinners to team building events and business lunches; at eventsunplugged! we are at hand from start to finish.

### Event Management

Our only purpose is to provide event management, production and logistic support to our clients. Whether you're planning a conference, product launch, training day, exhibition, awards ceremony, dinner... whatever the event, large or small, we're here to help and ensure a resounding success. From golfing days and weekends, gala and celebratory dinners to team building events, business lunches and product launches; at events unplugged! we are at hand from start to finish
